Department of Forestry, Fisheries and the Environment (DFFE): Internships 2024 / 2025 Apply Online

Description

We're thrilled to offer internship opportunities for individuals eager to dive into the world of environmental conservation. As an intern with us, you'll have the chance to roll up your sleeves and work alongside experienced professionals on exciting projects.

Responsibilities

- Assist in research and data collection related to forestry, fisheries, and environmental conservation.
- Support fieldwork activities, including biodiversity surveys and water quality monitoring.
- Contribute to the development and implementation of conservation programs.
- Help analyze and interpret environmental data to inform decision-making.
- Provide administrative support, such as preparing reports and presentations.
- Collaborate with team members and stakeholders to achieve project goals.
- Bring fresh ideas and perspectives to enhance our initiatives.

Qualifications

- Enrolled in or recently graduated from a relevant degree program.
- Passionate about environmental conservation and sustainability.
- Strong communication and teamwork skills.
- Proficient in Microsoft Office.
- Detail-oriented with problem-solving abilities.
- Prior experience or coursework in related fields is a plus.

Job Benefits

- Gain practical experience in environmental conservation.
- Learn from seasoned professionals in the field.
- Make a meaningful impact on real-world projects.
- Develop valuable skills for your future career.
- Flexible scheduling options may be available.

Contacts

Ready to embark on this exciting journey with us? To apply, please submit your resume/CV and a brief cover letter explaining your interest in environmental conservation and why you're the perfect fit for this internship. Don't forget to include your availability and preferred start date. Send your application Via Email.
